### Band day!

Thank you to all of the children who attended our Band day! As usual you showed true dedication coming in to school to practise in the holidays and everyone worked hard all day.

### Did you see us in the newspaper?

The children in the school band featured in two of the local newspapers this week. The article focused on the performance which will take place in June, with principal players from the famous Black Dyke Mills band. This is a very exciting opportunity for the children and the concert at the Empire theatre, on the 19th of June, promises to entertain as always!

If you missed the article you can view it on the school website.

### Taking instruments home

The instruments should be kept in school throughout the week and taken home at weekends to encourage as much practise as possible.

### Quotes from Children

We improved lots since Year 3 and the band gives us great opportunities throughout school life.  
- Faye Russell Yr6

I like being in the band because I really like entertaining people. I can't wait to go on stage and perform at the Empire theatre. - Thomas Marley Yr4

### Subs reminder

We rent the instruments from Consett Brass therefore we ask for a **monthly fee of £6** which helps fund new music and instruments for the children. We are still waiting for payments from before Christmas for some children.
